#### Deposits

A deposit is required from each person (bride, bridesmaids, MOTB) booking wedding hair and makeup appointments of 50% of the service total, which will be provided to you on a client card, to be presented at the time of appointment.

Appointments made for all other services in the lead up to your wedding do not require a deposit, however, we request that any appointment changes required are made with at least 5 days' notice, to allow flexibility in being able to reschedule for you.

#### Pre-wedding preparation

We recommend in the lead up to your wedding day that you begin your skin and beauty preparations as early as possible to avoid issues such as skin sensitivity, to ensure premium skin health or to gradually work towards your perfect hair colour and avoid damage.

#### Other notes

All brides, bridesmaids, Mother of the Bride etc are required to attend with clean and dry hair for any bridal hair appointments.

Please note we do not provide bridal hair and makeup without a trial appointment. It is imperative that a trial is undertaken by the bride at least 10 days before your wedding day so that we can ensure your preferences can be delivered on your special day. Not all hair is suitable to some wedding styles, so time is required to discuss and test your options. We recommend booking your trial in conjunction with your Hens Celebration – don't worry, we will alter the final style to keep your wedding look a secret!
